

MOVE Board of Directors Meeting Agenda 1:00 PM Tuesday, March 21, 2023

MOVE Office 4701 Sisk Rd. Ste. 201 Modesto, CA 95356

You may also attend this meeting by utilizing "GoToMeeting" online conferencing. Email Laura Coutrakis for meeting Link <u>laurac@movestanislaus.org</u>

<u>AGENDA</u>

1. Call to Order

2. Roll Call –

Jenny Kenoyer Jeff Lambaren Pat Maisetti Lupe Aguilera Geri Vargas

3. Public Comments

Matters under the jurisdiction of the MOVE Board of Directors, and not on the agenda may be addressed by interested parties in the audience at the beginning of the regular agenda. Any member of the audience wishing to address the Board of Directors during the "Public Comments" period shall be permitted to be heard for up to five minutes or at the discretion of the Chair.

4. Consent Calendar

- A. Board of Directors Meeting Minutes of February 21, 2023
- **B.** Revision to Accounting and Internal Control Policy

Action: Approve Consent Calendar Items

5. McGuire Management Consultancy Contract Third Amendment– Phil McGuire

Action: Approve the Third Amendment to the Agreement between MOVE and McGuire Management Consultancy.

6. Authorizing the CEO to Execute the 5310 Transit Grant Agreement with the California Department of Transportation - Phil McGuire

Action: Authorize the MOVE Chief Executive Officer approve Resolution 2023-01 AUTHORIZING THE CEO TO EXECUTE THE 5310 TRANSIT GRANT AGREEMENT WITH THE CALIFORNIA DEPARTMENT OF TRANSPORTATION to execute any and all documents necessary to complete the grant process.

7. Fiscal Year 2023-2024 Budget – Phil McGuire

Action: Approve the Preliminary Budget for FY 24; and further, authorize the CEO to make revisions and adjustments to the amounts as necessitated by guidance from other agencies or from new information made available during the budget review process; and further, to submit any necessary documents to StanCOG or other agencies which require budget documents or information from MOVE.

8. Organization Structure Revision – Phil McGuire

9. CEO Report

- 10. Program Performance Updates Hayley Vieyra
- 11. Comments by Rosa De León Park, Ex-Officio
- 12. Comments by Board Members

13. Information Items

The following items are included for information only February 2023 Program Reports

14. Adjourn to Closed Session to discuss personnel matters.

15. Closed Session

Next Scheduled Board Meeting:

April 18, 2023 1:00 pm 4701 Sisk Road Ste. 201 Modesto, CA 95356 **This meeting will be held in person and on-line via "GoToMeeting" conferencing.**

DATE:March 28, 2023TO:MOVE Board of DirectorsRE:Minutes February 21, 2023

Agenda Item: 4.A

Meeting Minutes

<u>AGENDA</u>

- 1. Call to Order 10:03 AM
- 2. Roll Call -

Jenny Kenoyer Jeff Lambaren Pat Maisetti - absent Lupe Aguilera Geri Vargas

Staff in attendance were: Phil McGuire, Hayley Vieyra, and Laura Coutrakis

3. Public Comments

Matters under the jurisdiction of the MOVE Board of Directors, and not on the agenda may be addressed by interested parties in the audience at the beginning of the regular agenda. Any member of the audience wishing to address the Board of Directors during the "Public Comments" period shall be permitted to be heard for up to five minutes or at the discretion of the Chair.

No public were in attendance.

4. Approve Minutes

Motion: Vice Chair Lambaren made a motion, seconded by Director Vargas to approve the minutes of the January 17, 2023 Board Meeting.

Passed: Unanimous

5. Accounting and Internal Control Policy – Phil McGuire

Discussion: Mr. McGuire shared that he and Clint Miller reviewed the Internal Control Policy and a couple of revisions were made. One of them being that, due to our relocation, our mail procedures have changed. At the new location, County personnel don't receive our mail and distribute it. We receive our mail directly so changes to the mail handling reflect that change. Also, we raised the definition of a Capital Asset from \$1000 to \$5000.

Vice Chair Lambaren asked if we are still approving checks daily? We had some

fraudulent checks and I just wanted to know if that was still in place?

Director of Mobility Vieyra shared that we are still using our bank's Positive Pay system, which will send us notification of any checks that do not match what we have submitted to the bank. However we have not seen any more fraudulent checks coming through, if anything appears in Positive Pay, it's usually due to a typo on one end or another. When "mismatched" check information comes through on any check, we are notified and can confirm the correct information in QuickBooks on our end. The bank has partnered well with us to ensure our account is closely monitored.

Director Vargas asked if there has been any consideration about increasing the amount paid to BRIDGES drivers. Mr. McGuire shared that he and Clint Miller have been looking at this. It seems that if we pay too much, it may result in the client being taxed on the mileage reimbursement as income. We want to be sure that the approved amount doesn't cause anyone to be unnecessarily taxed, so this is still being researched and addressed during the budget process.

Motion: Vice Chair Lambaren made a motion, seconded by Director Aguilera to approve the revised Accounting and Internal Control Policy.

Passed: Unanimous

6. Agreement with Assisted Rides for transportation management software. – Phil McGuire

Discussion: Mr. McGuire presented information about how we are currently using an in-house software developed for MOVE to track all of our current program activities. Having learned about the Assisted Rides software, he recognizes that Assisted Rides offers more options and usage to serve organizations similar to MOVE. The program plans and tracks rides, clients, trips and many other features which would better serve our organization with it's current and projected services coming in the near future. With Catholic Charities ride program coming to MOVE, this software allows us to track all of our MOVE activities with the exception of ADA Paratransit Eligibility, through one software database. Assisted Rides comes with all the tools we will need, it has been tested all over the country and has been customized specifically for organizations that manage programs like ours. We presented a sample of the program to the staff and decided to propose purchasing the software for MOVE. So we are proposing the purchase and intend to migrate all programs with the exception of the eligibility process.

Vice Chair Lambaren asked if the program would need updates. Mr. McGuire responded that regular updates are included in our purchase.

Vice Chair Lambaren asked if the program includes standard reports. Mr. McGuires explained that yes, there are many more report options with the new software vs. our current software.

Director Vargas asked about the pricing tiers. Referring to the pricing and draft contract provided in the Board Packet. She noted that 5000 rides are included in the basic pricing tier. Tiers increase in 2500 rides increments. Mr. McGuire explained that MOVE is currently providing well over 5000 rides per year especially with the large volume of Bridges trips. With projected expansion, we will need to purchase multiple tiers annually. the estimate in the contract draft of 12 additional tiers was based on the estimated number of expected annual rides MOVE would provide, but this is not the final contract.

Motion: Vice Chair Lambaren made a motion, seconded by Director Aguilera to approve a contract with The AlterNetWays Company LLC for the purchase of a software program named Assisted Rides and authorize the Chief Executive Officer to execute any and all documents necessary to consummate this purchase and install the program.

Passed: Unanimous

7. Catholic Charities Update – Phil McGuire

Director Aguilera asked when MOVE will be announcing to the public that we are taking over the Catholic Charities ride program? She was in a Commission on Aging meeting where there was talk of Catholic Charities not providing the ride program, but she didn't know if we were announcing MOVE's plan to take over operation effective July 1, 2023. Mr. McGuire said that Catholic Charities had already done a public announcement sending out a letter in January to all of their riders that the program would transition to MOVE in July 2023. Therefore, it's already public knowledge to be shared. Chair Kenoyer suggested that we create some bullet points to share with the public, so if the Board discusses it with other organizations, they can use the bullet points to say the same things when questioned. Mr. McGuire explained that MOVE is being careful not to speak on behalf of Catholic Charities, so Catholic Charities sent out the notifications in January to inform the public that rides would continue, but through MOVE.

In regards to the transition, we made job offers to four Catholic Charities employees to join MOVE in July. All four offers have been accepted. The employees will remain Catholic Charities employees until July when the program transitions to MOVE. As we get closer to the transition dates, the employees will be notified by MOVE regarding any program decisions, needs or training requirements and instructions.

After looking at the needs of new staff, we have decided that we don't need cubicles to accommodate the Catholic Charities program. Our current office allows space for the two Catholic Charities office personnel, and the drivers will

MOVE

rarely be in the office. Also, they currently have five vehicles. MOVE will be taking over the vehicles including those provided by the 5310 grant to continue the program.

Vice Chair Lambaren asked if we have the space to keep them securely. Mr. McGuire mentioned that yes we have the space, however security continues to be an issue. The larger vans which sit up higher and have more space under the body do not fit in the garage. Two weeks ago we had our catalytic converters stolen out of one of our VetsVans. If the vehicle sits high off the ground it takes very little time and effort to take the catalytic converters. Ms. Vieyra explained that she can have a cage put around the converters to prevent theft by making it a more difficult process to take remove them. They are well known throughout the Modesto area as a theft concern.

8. Budget and TDA Claim process update - Phil McGuire

Mr. McGuire reported that the budget process is underway. StanCOG has made changes to the TDA Claim process, through an online application which is required for anyone with a claim. I've been working with Clint Miller our accountant on preparing the budget for next fiscal year. We expect to have the budget draft complete by the end of the 1st week in March, then we will go online to submit the claim to StanCOG by the March 12th deadline.

This year we will include a contingency amount in our budget. The contingency funds will not be pre-allocated to a program or project, but we will have the funds in the event that if we do discover that we have an additional need for the year, to expand programs, or make an unexpected purchase, the funds will be available.

Measure L funds are much more restrictive. When we claim Measure L funds they must be used for the programs or projects specified in the claim.

9. Agreement for audit services – Phil McGuire

For the past few years we have used Hudson and Henderson for our annual audit. This year we (Mr. McGuire and Mr. Miller) researched the cost of contracting an auditing service for the next several years, and we discovered that the pricing offered by Hudson and Henderson was much lower than anticipated. The agreement with Hudson/Henderson is a simple annual letter agreement rather than a more complex contract. The letter agreement is simply executed by the CEO.

10. Vehicle Purchase – Phil McGuire

In our research this year, we have seen that part of our Measure L claim, included a new vehicle, but we have not made the purchase or used any of the

funds this fiscal year. Therefore, since it has already been approved, Ms. Vieyra is looking at a replacement vehicle to purchase in the next couple of months. We can easily use the CalACT purchase program which lists vehicles with modifications added, so I'm looking to get staff input on what specific vehicle we want, then take the steps necessary to make a purchase within the next couple of months.

Director Vargas asked if there is an additional cost to modify the vehicle branding so it looks like our VetsVans. Ms. Vieyra stated that yes the last van cost approximately \$2500 for a large vehicle branding, so it will depend on the type of vehicle we choose to purchase.

11. CEO Report

Mr. McGuire expressed that he has shared all of his necessary items and doesn't have anything more to contribute at this time.

12. Program Performance Updates – Hayley Vieyra

Ms. Vieyra shared a brief overview of program statistics this month showing that we are continuing to grow and thrive at this time.

13. Comments by Rosa De León Park, Ex-Officio

There were no representatives from StanCOG in attendance at this meeting.

14. Comments by Board Members

We had no additional comments from the Board.

15. Information Items

The following items are included for information only: January 2023 Program Reports

16. Adjourn to Closed Session to discuss personnel matters. 11:45 AM

17. Closed Session

Next Scheduled Board Meeting:

March 28, 2023 1:00 pm 4701 Sisk Road Ste. 201 Modesto, CA 95356 **This meeting will be held in person and on-line via "GoToMeeting" conferencing.**

DATE:March 21, 2023TO:MOVE Board of DirectorsFROM:Phil McGuire, Interim CEORE:Revision to Accounting/Internal Control Policy

Agenda Item: 4.B

Discussion:

The Accounting/Internal Control and Procurement Policy guides financial decisions and establishes guidelines regarding financial actions. The Policy was amended by the Board at its February 21, 2023, meeting introducing minor edits to such provisions as the dollar amount used to identify capital expenditures. Since that time, I have been working with Clint Miller on the MOVE budget and TDA Claim for FY 24. In our discussions of financial matters surrounding the budget and implications for future actions, the need for one additional revision became evident. This is only a formatting issue that is recommended to clarify exiting policy. In the Purchasing and Procurement section of the Policy, under Level I Procurements, there currently is language which states: "CEO is authorized to make expenditure adjustments between line items of up to 20% greater or less without further action by the Board of Directors as long as the total budget does not vary from the adopted level." This language does not relate to Level I Procurements but instead is an overall guideline pertaining to all MOVE budget-related items. Thus, it is recommended that this language be moved in its entirety to a separate section of the Policy. The attached revised version of the Policy reflects this edit.

Fiscal Impact:

There is no immediate impact relating to this Policy revision. It could have been interpreted that this authority to move budget items did already exist as the Policy is currently structured. However, in the interest of clarity, the revised positioning of this provision is proposed.

Recommendation:

It is recommended that the Board of Directors:

Approve the revision of the Accounting/Internal Control And Procurement Policy to reposition the following language to a separate section of the Policy:

"CEO is authorized to make expenditure adjustments between line items of up to 20% greater or less without further action by the Board of Directors as long as the total budget does not vary from the adopted level."

Revised Accounting/Internal Control and Procurement Policy

| DATE: | March 21, 2023 |
|-------|---|
| TO: | MOVE Board of Directors |
| FROM: | Phil McGuire, Chief Executive Officer (Interim) |
| RE: | Consulting Contract Third Amendment |

Agenda Item: 5

Discussion:

The consulting agreement between MOVE and McGuire Management Consultancy was amended by the Board of Directors on January 17, 2023. Additional funds were added to the agreement with the expectation that work under the agreement would greatly diminish with the imminent selection of a new Chief Executive Officer (CEO). That did not occur as intended thus extending the time required to arrive at the final selection of a new Executive. In the meantime, McGuire initiated a number of new efforts to improve the structure and operation of MOVE. These included the selection and installation of a new transportation management software platform, major changes to the FY 24 budget and its supporting process, and a reorganization of the office to provide for improved management by a new CEO.

The delayed selection of a new CEO in itself extended the commitment by McGuire to MOVE. The other initiatives add to the complexity of the organization which must be imparted to the new CEO through a mentoring/hand off process. This also adds to the consulting commitment by McGuire to ensure overall success.

The proposed Third Amendment adds additional funds to the McGuire Agreement to allow for the completion of all of this.

Fiscal Impact:

The proposed Third Amendment would add \$50,000 to the agreement. The FY 24 budget process (reported under a separate item on this meeting agenda) revealed that MOVE will end the current fiscal year substantially under budget. This fact results in the agency having more than sufficient funds to accommodate this agreement.

Recommendation:

It is recommended that the Board of Directors:

Approve the Third Amendment to the Agreement between MOVE and McGuire Management Consultancy.

Attachment:

Proposed Third Amendment to the Agreement between MOVE and McGuire Management Consultancy.

MOVE Stanislaus Transportation

THIRD AMENDMENT TO STANDARD AGREEMENT

THIS THIRD AMENDMENT TO STANDARD AGREEMENT, is made and entered into this 21ST day of March, 2023, at Modesto, California, by and between MOVE Stanislaus Transportation, a non-profit corporation (hereinafter "MOVE"), and McGuire Management Consultancy, a California sole proprietorship (hereinafter "Contractor").

The Parties agree to Amend the FIRST AMENDMEND TO STANDARD AGREEMENT regarding the following specific provisions:

RECITALS:

1. Contractor represents that it is uniquely qualified to serve as interim Chief Executive Officer (CEO) based upon extensive CEO experience; and,

2. Contractor is uniquely qualified to conduct a recruitment process to select a permanent CEO for MOVE as part of the duties of serving as CEO; and,

3. Contractor support following selection of a new Chief Executive Officer may be necessary to ensure a smooth transition to attaining full technical capability,

NOW, THEREFORE, the parties agree as follows:

5. <u>Consideration</u>: The total sum billed under this Agreement shall not exceed the amount of \$25,000 in Fiscal Year 2019/20, \$26,000 in Fiscal Year 2020/21, \$27,000 in Fiscal Year 2021/22 including all costs, overhead, and fixed fee expense up to the specified amount, shall constitute full and complete compensation for Contractor's services. The extensions shall be exercised. The sum billed shall not exceed \$160,000 in Fiscal Year 2022/23 and \$29,000 in Fiscal Year 2023/24. MOVE shall pay Contractor for services rendered pursuant to this Agreement in accordance with the provisions contained in Exhibit "A." The payments specified in Exhibit "A" shall be the only payments made to Contractor for the services rendered pursuant to this Agreement unless otherwise agreed to by both parties in writing. All direct costs billed shall be specifically identified. Any travel costs shall not exceed the mileage rates established by the IRS.

IN WITNESS WHEREOF, THE PARTIES HAVE ENTERED INTO THIS AGREEMENT AS OF THE DATE HEREIN ABOVE APPEARING:

MOVE STANISLAUS TRANSPORTATION, Inc.

Jenny Kenoyer, MOVE Board of Directors Chair

MCGUIRE MANAGEMENT CONSULTANCY

Philip McGuire, McGuire Management Consultancy

| DATE: | March 21, 2023 |
|-------|---|
| TO: | MOVE Board of Directors |
| FROM: | Phil McGuire, Chief Executive Officer (Interim) |
| RE: | AUTHORIZING THE CEO TO EXECUTE THE 5310 TRANSIT GRANT |
| | AGREEMENT WITH THE CALIFORNIA DEPARTMENT OF |
| | TRANSPORTATION |
| | Agenda Item: 6 |

Discussion:

MOVE applied for a 5310 grant administered by Caltrans in its 2022 funding cycle for operating funds to support the travel training program. This grant application is separate from a MOVE grant application in the same Caltrans cycle for funds for the purchase of replacement VetsVan vehicles. Each grant will have a separate Standard Agreement with Caltrans.

In order to execute documents associated with these grants, an Authorizing Resolution is required. This Resolution authorizes the Chief Executive Officer to sign the necessary documents.

Fiscal Impact:

The MOVE travel training grant through 5310 is for a two-year period. The total amount of the grant is \$293,999. These funds have been included in the preliminary FY 24 budget (separate agenda item for this meeting).

<u>Recommendation:</u>

It is recommended that the MOVE Board:

Authorize the MOVE Chief Executive Officer approve Resolution 2023-01 AUTHORIZING THE CEO TO EXECUTE THE 5310 TRANSIT GRANT AGREEMENT WITH THE CALIFORNIA DEPARTMENT OF TRANSPORTATION to execute any and all documents necessary to complete the grant process.

4701 Sisk Road, Suite 201 Modesto, CA 95356 Office: 209-672-1143 Fax: 209-593-0803 eMail: <u>info@movestanislaus.org</u> Web: movestanislaus.org

MOVE STANISLAUS TRANSPORTATION RESOLUTION 2023-01

AUTHORIZING THE CEO TO EXECUTE THE 5310 TRANSIT GRANT AGREEMENT WITH THE CALIFORNIA DEPARTMENT OF TRANSPORTATION

WHEREAS, MOVE Stanislaus Transportation is the designated CTSA for the Stanislaus region; and

WHEREAS, as the designated CTSA, MOVE is eligible for assistance under FTA Section 5310 Enhanced Mobility of Seniors and Individuals with Disabilities: and

WHEREAS, the California Department of Transportation is the State agency authorized to evaluate and submit to the Federal Transit Administration grant requests from private nonprofit corporations for assistance in providing transportation services meeting the special needs of seniors and/or persons with disabilities, for whom mass transportation services are otherwise unavailable, insufficient or inappropriate; and

WHEREAS, the 5310 Transit Grant Agreement with the Department of Transportation will provide MOVE with 5310 funds to provide travel training services throughout Stanislaus County for the period of the grant

NOW, THEREFORE BE IT RESOLVED that the 5310 Transit Grant Agreement with the Department of Transportation is hereby adopted.

BE IT FURTHER RESOLVED that the Chief Executive Officer is authorized to execute the 5310 Transit Grant Agreement with the Department of Transportation and to make administrative changes to the agreement, as needed, to ensure that the agreement is implemented in the most efficient and cost-effective manner possible.

The foregoing Resolution was introduced at a regular meeting of the MOVE Stanislaus Transportation Board of Directors on the 21st day of March 2023. A motion was made and seconded to adopt the foregoing Resolution. Motion carried, and the Resolution was adopted.

MEETING DATE: 3/21/2023

ATTEST:

PHILIP MCGURIE INTERIM CHIEF EXECUTIVE OFFICER JENNY KENOYER, CHAIR, BOARD OF DIRECTORS

| DATE: | March 21, 2023 |
|-------|---|
| TO: | MOVE Board of Directors |
| FROM: | Phil McGuire, Chief Executive Officer (Interim) |
| RE: | Preliminary FY 24 Budget and TDA Claim |

Discussion:

The timing for preparation of the MOVE annual budget is largely dictated by required submissions of various documents to StanCOG. The most specific submittal requirements pertain to the annual Transportation Development Act (TDA) Claim. MOVE obtains approximately half of its annual budget from TDA. The requirements surrounding this determine the timing of preparation of the annual MOVE budget. While for MOVE's purposes, adoption of the annual budget is not actually required until June 30, it is always prepared much earlier due to the StanCOG requirements.

For the second year in a row, StanCOG is utilizing an on-line process for the submission of the TDA Claim. StanCOG's timelines for various steps in the process are detailed in the attached document. MOVE was required to submit its draft Claim no later than March 12, 2023. The MOVE Claim was actually submitted on March 10, 2023, in full compliance. In order to prepare the TDA Claim, it is necessary that the annual budget for that Claim year (the coming fiscal year, FY 24) be prepared. That serves as the input to the Claim.

As noted in the timelines document, the material already submitted is considered draft or preliminary. StanCOG reviews the material and then may ask for revisions to the documents which can include adjustments to the draft budget. For Board review purposes, this series of steps is important. The fact that staff has prepared a draft budget does not mean that it is final. Thus, there will be other points during the process where further refinements can be made. However, a great deal of effort and planning has gone into the preliminary budget with the likely effect that few modifications will be necessary.

Summary of major budget issues and assumptions:

• <u>Total budget relative the FY 23</u>: The following table summarizes the change in total budget amount relative to the current fiscal year.

| Adopted budget FY 23 | \$2,775,316 |
|---------------------------------|-------------|
| Projected actual expenses FY 23 | \$2,020,822 |
| Preliminary budget FY 24 | \$3,030,805 |

The preliminary budget for FY 24 is 9.2% higher than the adopted budget for FY 23. This results from general increases across all line items typically ranging from 3% to 5%. In addition, the transition of Catholic Charities adds substantial wage and benefit expense to the FY 24 budget.

- <u>Difference between Projected Expense for FY 23 and FY 24 Budget</u>: As indicated in the table above, the FY 23 budget is \$2.7m. However, MOVE is operating substantially under budget for FY 23 in a number of expenditure categories. In particular, two budgeted positions were not filled, one was filled mid-year thus saving nearly six months expense, and the CEO position was vacated four months into the year with associated savings. Further, some of the Community Partners expense was not incurred as certain of the programs were not initiated during the year as originally planned. The net effect of these factors is substantial under spending for FY 23.
- Eligibility Center funding: MOVE began providing ADA eligibility services to the County transit agencies in 2018. From that time through the current fiscal year, the funding for that program has been provided through MOVE's standard TDA allocation from StanCOG. This was done originally because MOVE did not need all available funds for its other programs and that funding mechanism was beneficial to the transit agencies for compliance reasons. Since that time, MOVE has had greater need for its TDA funds. During the budget preparation process, this situation was brought to the attention of StanCOG and the transit agencies with the proposal that the transit agencies take over funding responsibility for the program. This change would take the form of a contract between the transit operators (StanRTA and the City of Turlock) and MOVE utilizing funds in the transit operator budgets. All parties have now agreed to this change in approach. The budget impact to MOVE is the addition of \$250,000 per year budgeted as Contract Revenue from those agencies. The effect of this on MOVE is to free up the equivalent amount of TDA for use by MOVE for other programs.
- <u>VOGO continuation</u>: It has been mentioned to the Board that staff is considering recommending the discontinuation of VOGO. If discontinued, the direct expense budgeted for FY 24 of \$83,958 would be eliminated. This may occur at some point though does require concurrence by several partner agencies or contractors including StanCOG. As a very conservative approach to this, the amount has been left in the FY 24 budget in case the discontinuation of the program does not happen or perhaps does not happen until sometime later in the fiscal year. Because this program is funded through a special Measure L allocation, any funds remaining if the program is ended may revert back to StanCOG.
- <u>Transition of Catholic Charities</u>: The transition of Catholic Charities has some interesting implications for the MOVE budget. First, as currently planned, four employees will transition to MOVE effective July 1. This adds substantially to the wage and benefit line items. In addition, a number of other expenses have been added throughout the budget to reflect the increased costs for fuel, insurance, maintenance, and other operating expenses. However, in the FY

23 budget, many of these expense were already included as a pass through of funding from MOVE to Catholic Charities. MOVE has provided a combination of TDA and Measure L funding to Catholic Charities. This will cease July 1 with all expenses being directly incurred by MOVE. So, the overall impact on the MOVE budget is not significant. The expenses have simply been redistributed through MOVE budget line items. One additional factor results from this transition. Catholic Charities currently receives FTA 5310 funds to support a portion of its operation. Effective July 1, that grant will transition to MOVE. The amount of the grant and the transition details are currently being determined. Once this grant transfer occurs, it may have the effect of covering a portion of expense presently intended for TDA and Measure L thus increasing carryover from those funding sources into future years.

- <u>Contingency</u>: At the recommendation of StanCOG, MOVE is including a contingency line item the budget for the first time. The effect of this is to program the use of TDA funds for purposes that are as yet undetermined. But more importantly, it provides funds to cover the cash needs of the agency while MOVE waits for the receipt of other funds that are received much later in the budget year. These include both Measure L and FTA 5310.
- <u>Negative Net Operating Revenue</u>: Net revenue will typically be the negative value of the TDA carryover from the prior year. The reason for this is that while MOVE has the TDA carryover cash available for its operations, it is not considered *revenue* by generally accepted accounting practices, as it has already been recorded as revenue in the previous year. For that reason, budgeted expenses will always exceed budget revenue when TDA carryover exists, hence negative net revenue. In the FY 24 budget, the loss is lower than the \$215,275 TDA carryover, because we have budgeted a surplus of SEC contract revenue over expenses by 69,899. The net effect is 69,899 less 215,273 = (145,374).

Other budget items will be highlighted in the presentation at the Board meeting. The Board is being asked to adopt the "Preliminary Budget" to indicate its initial review of the FY 24 budget and to also authorize the CEO to make such revisions and adjustments as are necessary to complete the budget document subject to final approval by the Board at a future date.

Fiscal Impact:

The budget is the financial framework for operations for the fiscal year. It establishes spending guidelines and priorities to be implemented by the staff in fulfilment of all program requirements. The preliminary FY 24 budget of \$3.03m is the "plan" for the operation of MOVE through that budget period. There may be decisions made during the year that have significant budget implications, as there have been in FY

23. For example, some expenditures may be postponed or eliminated; some additional revenues such as the Catholic Charities 5310 grant may materialize; some unforeseen expenditures may arise thus drawing on the Contingency. Any major revisions to the expenditure plan would be returned to the Board for authorization.

Recommendation:

It is recommended that the Board of Directors:

Approve the Preliminary Budget for FY 24; and further, authorize the CEO to make revisions and adjustments to the amounts as necessitated by guidance from other agencies or from new information made available during the budget review process; and further, to submit any necessary documents to StanCOG or other agencies which require budget documents or information from MOVE.
